

Thank you so much for trying out for Utah Force!

If you see your name below, you have made a roster spot. Congratulations!

If you see "ALT" by your name, that means we would like you as an alternate for that team. You will practice with the group during the season but participate in games as needed. Alternates will not pay league/tourney fees for that team unless they participate in more than half of the games.

If you are declining your roster spot, we need to know by Monday, August 31, 2026, at 12:00 PM. Please email utahforce17@gmail.com to let us know.

Please see the attached Parent Packet with additional information on practice schedule, uniforms, pricing, payment, tournament/league info, app download, etc.

Practices start this week!

Please reach out to utahforce17@gmail.com with any additional questions.

Thanks Force Fam!

By allowing your player to play for Utah Force Basketball Club, you are granting permission for Utah Force Basketball Club and its staff to use photographs and/or video of your child taken during games, practices, training, and/or basketball travel to/from games or tournaments in publications, news releases, online and in other communication related to the mission of Utah Force Basketball Club.

Parent Responsibilities

Communication:

**** ALL PARENTS MUST HAVE THE ALL BALL APP ****

We will be using the All Ball App for our main source of communication this year. You will be sent a link to join. Please check the app DAILY to stay updated on any important notifications.

PLEASE READ the correspondence we send in the app and via email. We will minimize communication to only important information, so if you do get a notification from us, please make sure to review it.

With that said, if something is unclear or confusing, please do not hesitate to ask for help.

Attendance:

You are responsible to have your player at ALL practices, games, and events.

Practices- If your player must miss a practice, please message in the All Ball app to notify coaches.

League/Tournaments- We will lock in tournament and league RSVPs by the 1st of the month prior to that season. At that point, all tournament/league fees will be non-refundable, whether your player participates or not, with the exception of serious injury or a family emergency.

For league games, we ask that you RSVP your player in the All Ball app by Sunday night the week before.

If they cannot attend, please use the comment field to provide a brief explanation as to why. Example, "Sick", "Out of town", etc.

PLAYERS MUST BE 20 MINUTES EARLY TO GAMES.

Behavior:

Please be respectful to all other players, coaches, parents, and referees. You all are direct representations of us and our program. We would like to be respectful and professional at all times.

Let us do our jobs. When your player is on our time, that is our time. Please do not coach your player from the sideline in games or practice. Furthermore, please do not come over to the bench or on the court during a game or practice to speak with a player or coach. It is more distracting than it is helpful.

Thank you all for choosing to be a part of the Utah Force Family. Each one of you is such an asset to our organization. We can't wait to continue our ninth year, win some more championships, and create some more amazing memories!!
